Professional Summary

With a robust skill set, I bring valuable contributions to any team. My adept communication skills are evident in my track record of effective interaction, both verbally and in writing, this was shown through my ability to submit official reports and records while working as a Lifeguard. This proficiency ensures seamless collaboration with colleagues, clients, and stakeholders, fostering a positive and productive work environment. Teamwork is ingrained in my approach, recognizing its pivotal role in achieving collective goals, this was shown as I contributed to the teams target sales and expectations. Through past experiences, I've demonstrated my ability to work harmoniously within diverse teams, contributing to shared successes. Time management is a notable strength, demonstrated through my consistent ability to meet deadlines and efficiently juggle multiple tasks especially during high pressure situations, which was shown through my situation defusal while working as a lifeguard. This skill is crucial in delivering work promptly without compromising quality, showcasing my reliability and efficiency.
